

Seeking Volunteers.

Mallow Community Health Project seeking Volunteers to help run Paired Walking Group in North Cork area for visually impaired/blind people

Are you the type of person who would give 3 hours of your Saturday afternoon, once a month, 12.30 pm – 3.30 pm, to accompany a visually impaired/blind person on a walk in the North Cork area

Are you a person who can chat and enjoy a meal in some lovely restaurant after each walk?

If this is you, please contact Pauline O Grady-Noonan, Community Health Worker, 087-4335047 . Email: chp@lecheilefrc.ie at Mallow Community Health Project, in Le Cheile Family Resource Centre, Mallow, for further information
